

April 8, 2021

Dear Woodbury Community Association Homeowner:

As your fiscal year end is fast approaching, your Board of Directors has undertaken a thorough review of the operating budget with the goal of providing for efficient operations and for funding adequate reserves to meet long-term requirements.

As a result of this review, the Board has determined that assessments will remain the same at \$140.00 per month for the upcoming fiscal year.

The Board does not anticipate any special assessments to replace, repair or restore any major components, at this time. However, the Board cannot predict unanticipated events, which may have an impact on assessments.

In conjunction with the budget review, the services of a professional reserve analyst were employed to make recommendations for future funding.

Enclosed, please find the Association's Annual Policy Statement and supporting documents required to be sent to the membership annually in accordance with California Civil Codes 5300 and 5310.

Should you have any questions regarding the materials enclosed, please contact the undersigned at (949) 451-1654.

At the Direction of the Board of Directors,

Susan Seifen

6. NOTICE ASSESSMENTS AND FORECLOSURE.

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE.

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as non-judicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or non-judicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or non-judicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or non-judicial foreclosure, the association records a lien on the

owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive)

In a judicial or non-judicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use non-judicial foreclosure to collect fines or penalties, except for costs to repair common area damaged by a member or a member's guests, if the governing documents provide for this.

(Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS.

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

MEETINGS AND PAYMENT PLANS.

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code)

WOODBURY COMMUNITY ASSOCIATION
BOARD OF DIRECTORS RESOLUTION

Upon motion duly made, seconded and carried, the Board of Directors for Woodbury Community Association adopted the following Resolution at its regular meeting on January 15, 2015.

WHEREAS, the Covenants, Conditions and Restrictions of Woodbury Community Association, require payment of regular and special assessments by all the owners of real property within said community in order to provide funds for payment of expenses for the upkeep, maintenance and preservation of the common areas therein, and for payment of other expenses associated with the normal operation of said Association's business and affairs, and

WHEREAS, said Covenants, Conditions and Restrictions provide the Association's Board of Directors with the power and authority to require regular and special assessments levied against owners of real property within said community (all of whom are required to be members of the Association as a condition of ownership) to be fully and timely paid, and

WHEREAS, the Board of Directors deems it to be in the best interests of the Association and all the Association's members to establish policies and practices relative to the Association's rights and remedies in event of default in payment of the regular and special assessments by any of the Association's individual members, and

NOW, THEREFORE, BE IT RESOLVED that the Association hereby adopts the following policies and practices in the event of any default in payment of the Association's regular and special assessments to be effective the 1st day of March 2015:

1. Assessments, late charges, interest, collection costs, and any attorneys' fees, are the personal obligation of the owner of the property at the time the assessment or other sums are levied.
2. Regular monthly assessments are due and payable on the first day of each month. A courtesy billing statement is sent each month to the billing address on record with the Association. However, it is the owner of record's responsibility to pay each assessment in full regardless of whether a statement is received. All other assessments, including special assessments, are due and payable on the date specified by the Board in the notice imposing such assessment.
3. Any payments made shall be first applied to assessments owed, and, only after the assessments owed are paid in full, shall such payments be applied to late charges, interest and collection expenses, including attorneys', trustee or small claims fees, unless the owner and that Association enter into an agreement providing for payments to be applied in a different manner.
4. When any regular or special assessment remains unpaid fifteen (15) days past its due date, said assessment shall be subject to a late charge not exceeding ten percent (10%) of the delinquent assessment or ten dollars (\$10.00), whichever is greater in accordance with California Civil Code 5650(b)(2), unless the declaration specifies a smaller amount.
5. In accordance with California Civil Code 5650(b)(3), the Board of Directors shall impose interest on all sums, including the delinquent assessment, reasonable costs of collection, and late charges, at a rate not to exceed twelve percent (12%) per annum, commencing 30 days after the assessment becomes due, unless the declaration specifies a rate of a lesser amount.

6. When any assessment remains unpaid forty-five (45) days past its due date, the Association, through its Management Company, shall mail a Pre-Lien Notification to the owner as required by California Civil Code 5660 by certified and first class mail, to the owner's mailing address of record advising you of the delinquent status of the account, impending collection action and the owner's right to request that the Association participate in the "meet and confer" program or in some form of internal dispute resolution process ("IDR"). The owner will be charged a fee for the pre-lien notification, which shall be charged to the delinquent member's account.

7. Within fifteen (15) days from the date of the postmark of the Pre-Lien Notification, a delinquent owner may submit a written request to the Association to meet with the Board to discuss a payment plan for the amount set forth in the Pre-Lien Notification letter. The Board shall meet with the delinquent homeowner in executive session within forty-five (45) days of the date of the postmark of the written request. Each request is handled on a case-by-case basis. The Board is under no obligation to grant payment plan requests. Payment plans shall not interfere with the Association's ability to record a lien on an owner's separate interest to secure payment for the owner's delinquent assessments. If the Board authorized a payment plan, it may incorporate payment of ongoing assessments that accrue during the payment plan period. If a payment plan is approved, additional late fees for the homeowner will not accrue while the owner remains current under the terms of the payment plan. If the owner breaches an approved payment plan, the Association may resume its collection action from the time the payment plan was approved.

8. If an owner fails to pay the amounts set forth in the Pre-Lien notification and fails to request IDR within forty-five (45) days of the date of the Pre-Lien notification, the Board shall decide, by majority vote in an open meeting, whether to record a Notice of Delinquent Assessment (Lien) for the amount of any delinquent assessments, late charges, interest and/or costs of collection. This lien shall be recorded in the office of the County Recorder and mailed to the delinquent member. A fee for the lien processing work and a fee for the preparation and mailing said Notice of Delinquent Assessment by the Agent, Trustee or Attorney employed by the Association, shall be charged to the delinquent member's account. The lien may be enforced in any manner permitted by law, including without limitation, a small claims judgment, judicial or non-judicial foreclosure. *"The owner will be called to a hearing where their rights and easements of the use and enjoyment of the recreational amenities, including all Association owned pool and facilities, will be suspended effective immediately until the account is brought current and is no longer delinquent".*

9. The decision to foreclose on a lien must be made by a majority of the Board of Directors in an Executive Session meeting and the Board of Directors must record their votes in the minutes of the next open meeting of the Board. The Board must maintain the confidentiality of the delinquent owner(s) by identifying the matter in the minutes by only the parcel number of the owner's property. Prior to initiating any foreclosure sale on a recorded lien, the Association shall offer delinquent homeowners the option of participating in IDR or Alternative Dispute Resolution ("ADR")

10. After thirty (30) days from recording the Notice of Delinquent Assessment, the Association may turn the members account over to the Association's Attorney or Trustee to enforce the lien by proceeding with judicial or non-judicial foreclosure sale when either (a) the delinquent assessment amount totals One Thousand, Eight Hundred Dollars (\$1,800.00) or more, excluding accelerated assessments and specified late charges and fees or (b) the assessments are delinquent for more than twelve (12) months. However, upon review of the Association Member's delinquent account, the Board may decide to take small claims court action. The Association is authorized under California law to charge the owner reasonable costs of collection for any action utilized.

11. “IMPORTANT NOTICE: IF YOUR SEPARATE INTEREST IS PLACED IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR ASSESSMENTS, IT MAY BE SOLD WITHOUT COURT ACTION”

12. An owner is entitled to inspect the Association’s accounting books and records to verify the amounts owed on their account pursuant to California Civil Code 5205. If it is determined that the owner has paid the assessments on time, the owner will not be liable to pay the charges, interest, and costs of collection associated with collection of those assessments.

13. Owners have the right to provide a secondary address for mailing for purposes of collection to the Association. An owner may identify or change a secondary address at any time, provided that, if a secondary address is identified or changed during the collection process, the Association shall only be required to send notices to the indicated secondary address from the point the Association receives the request.

14. Prior to recordation of the release of any lien, or dismissal of any legal action, all assessments, late charges, interest, and costs of collection, including attorneys’ fees, must be paid in full to the Association. The mailing address for overnight payments of assessments is 16775 Von Karman, Suite 100, Irvine, CA 92606 unless the account has been turned over to the association’s trustee or attorney, then the homeowner would need to call said party for the full amount owed and their correct mailing address.

15. The foregoing policies and practices shall remain in full force and effect until such time as they may be changed, modified, or amended in their entirety, by a duly adopted Resolution of the Board of Directors of Woodbury Community Association. This policy is subject to change upon thirty (30) day written notice.

VIOLATION ENFORCEMENT POLICY

Enforcement of the Association's Governing Documents, including the CC&Rs and the Association's Rules and Regulations is an important function of the Board of Directors. The Board takes this obligation very seriously as the enforcement of the Governing Documents protects the community's property values and ensures that the community remains an attractive and desirable place to live. As such, violations of the Governing Documents are addressed by the Board as quickly as reasonably possible, and Owners who are in violation may find themselves facing a hearing, having to pay fines, or even facing litigation.

The following policy sets forth the process by which the Board will consider action when an Owner is in violation of the Governing Documents. While the Board would prefer to resolve matters informally, there may be times when more formal proceedings or even litigation is necessary to obtain an Owner's compliance and protect the other Members of the Association who voluntarily comply. Should litigation be required the Association will seek to recover all legal fees it incurs in pursuing the matter. As may be expected those fees are often substantial, and the Board would much prefer that Owners voluntarily comply with the Association's Governing Documents.

1. All violations which are reported by individual homeowners must meet the following criteria:
 - a. Violation report must be in writing.
 - b. Party making complaint (no anonymous complaints) must sign violation report.
 - c. Violation report must identify individual in alleged violation either by name or address. Physical descriptions are not sufficient for identification of individuals. Automobile descriptions and or license plate numbers are also not sufficient for identification of individual in violation.

The Board may, but need not necessarily, send a courtesy notice to the homeowner advising the nature of the violation and a time limit to rectify the violation. If the Board elects to send a courtesy notice to the homeowner, failure to comply with the request to rectify the violation, or respond to the Board of Directors may result in a Notice of Hearing.

2. The Board may schedule a hearing and forward a Notice of Hearing to Owners it believes to be in violation. Any notice, requesting appearance on a specified date to be heard by the Board of Directors, shall be given at least fifteen (15) days prior to the hearing.
3. If the violation is confirmed at the hearing, then the Board of Directors may take any one or more of the following actions:
 - a. Levy a Compliance Assessment or monetary penalty in the amount of \$250.00 per violation for the first thirty (30) day period of each violation; \$500.00 per violation for the second thirty (30) day period of each violation; \$1,000.00 per violation for the third thirty (30) day period of each violation and a maximum of \$2,000.00 per violation for the fourth thirty (30) day period of each violation.

W O O D B U R Y

- b. Suspend for up to thirty (30) days or condition the homeowner's right to use any recreational facilities the Association owns, operates or maintains commencing on a date in the future selected by the Board;
- c. Submit the matter to legal counsel for further action, including, but not limited to, commencement of the alternative dispute resolution process or filing of a civil lawsuit.

NOTE: The Board may determine to use alternative dispute resolution or cause correction of the violation to affect a cure. Owner shall be responsible for legal fees and/or reimbursement of costs to Woodbury Community Association.

NOTE: Should a violation occur which imposes a financial obligation on the Association; the party responsible for said violation shall reimburse, by way of a Damage Reimbursement Assessment, the Association for this financial obligation. If, for example, a party damages a fence, tree or any other Association Property, repair and replacement costs will be charged to that party.

- 4. Hearing: The hearing shall be held before the Board of Directors in Executive Session. Additionally, the following protocol shall be observed:
 - a. At such hearing the Member so charged shall have the right to hear the charges and evaluate evidence concerning the alleged violation.
 - b. At the hearing, the Member shall have the right to present oral and/or written evidence concerning the alleged violation.
 - c. Hearings will not be rescheduled at the convenience of the Member accused of the violation. Members who do not choose to attend the hearing may submit written evidence for Board consideration.
- 5. Results: The results of the hearing, including any action to be taken, shall be delivered to the Member within fifteen (15) days following the date of the hearing.

ALTERNATIVE DISPUTE RESOLUTION SUMMARY

California *Civil Code* Sections 5925 through 5965 require community associations and their homeowners to offer to participate in some form of Alternative Dispute Resolution (“ADR”) prior to initiating certain types of lawsuits in superior court. ADR means mediation, arbitration, conciliation, or other non-judicial procedure that involves a neutral party in the decision making process. ADR may either be binding or non-binding, as may be agreed to by the parties. This Summary of the ADR statutes is being distributed as required by California *Civil Code* Section 5960.

I. When ADR Must be Offered Prior to Initiating Enforcement Action:

An association or an owner may not file certain lawsuits in superior court unless an effort has been made to submit the dispute to ADR as required by law. Generally, ADR must be offered before filing a civil action or proceeding that seeks:

- A. A judicial declaration of the rights and responsibilities of the parties, only; or
- B. A writ of mandate or a writ of prohibition, only; or
- C. Permanent injunctive relief only; or
- D. Declaratory relief, writ relief, or injunctive relief, combined with a claim for monetary damages of five thousand dollars or less

It is not necessary to offer ADR prior to filing any other type of superior court action, or prior to filing any type of small claims action. Except as otherwise provided by law, the ADR requirement does **not** apply to an assessment dispute.

II. Compliance Procedures:

The ADR process is initiated by one party serving all other parties with a “Request for Resolution,” which shall include:

- A. A brief description of the dispute between the parties;
- B. A request for ADR;
- C. When directed to an owner, the request must be accompanied by a copy of the ADR statutes;
- D. A notice to all parties that they are required to respond within 30 days of receipt, or else the offer of ADR is deemed rejected; and

Service of the Request must be by personal delivery, first-class mail, express mail, facsimile transmission, or other means reasonably calculated to provide the intended recipient actual notice of the Request. If the Request is accepted, ADR must be completed within 90 days of the receipt of the acceptance, unless the parties sign a written agreement extending the completion date.

The cost of ADR is to be borne by the parties. Unless the parties agree, no oral or written evidence or statements made in an ADR proceeding, other than arbitration, are admissible as evidence in a later lawsuit.

Each homeowner should consult with his or her own attorney regarding appropriate compliance with the ADR statutes.

III. Failure to Participate in Some Form of ADR Prior to Enforcement Action:

Should a party unreasonably refuse to participate in ADR before the lawsuit is filed, the court may, in its discretion, take this refusal into consideration in determining the amount of attorney's fees and costs ultimately awarded at trial. In accordance with the disclosure requirement of California *Civil Code* Section 5965, please be advised that:

“Failure of a member of the Association to comply with the alternative dispute resolution requirements of Section 5930 of the Civil Code may result in the loss of your right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law.”

IV. Association's Policy of Early Dispute Resolution:

In accordance with the California *Civil Code*, a fair, reasonable, and expeditious procedure exists for resolving disputes between Association and an owner involving their rights, duties or liabilities under the Davis Stirling Common Interest Development Act, the Nonprofit Mutual Benefit Corporation Law, or the Association's governing documents. The procedure supplements, but does not replace the ADR process summarized above. The procedure follows:

- A. Either party may request the other, in writing, to meet and confer. While a homeowner may refuse a request to meet and confer, the Association may not.
- B. The Board shall designate a member of the Board to meet and confer with the owner.
- C. The parties shall meet promptly at a mutually convenient time and place to explain their positions and confer in good faith in an effort to resolve the dispute.
- D. A resolution of the dispute shall be memorialized in writing and signed by the parties.
- E. An agreement reached using this procedure binds the parties and is judicially enforceable if it is not in conflict with the law or the governing documents and the agreement is either consistent with the authority granted by the Board of Directors to the Board member who met with the owner, or if the agreement is ratified by the Board.
- F. An owner may not be charged a fee to participate in the process.

V. Internal Dispute Resolution:

California *Civil Code* Sections 5900 through 5920 require community associations and their homeowners to participate in some form of Internal Dispute Resolution (“IDR”) prior to initiating certain types of disputes in superior court. This summary of the IDR procedure is being distributed as required by California *Civil Code* Section 5920. The below applies in an Association that does not otherwise provide a fair, reasonable, and expeditious IDR procedure meeting the minimum requirements described in California *Civil Code* 5910.

- A. The party may request the other party to meet and confer in an effort to resolve the dispute. The request shall be made in writing.
- B. A member of an Association may refuse a request to meet and confer. An Association may not refuse a request to meet and confer.
- C. The Association's Board of Directors shall designate a member of the Board to meet and confer.
- D. The parties shall meet promptly at a mutually convenient time and place, explain their positions to each other, and confer in good faith in an effort to resolve the dispute.
- E. A resolution of the dispute agreed to by the parties shall be memorialized in writing and signed by the parties, including the Board designee on behalf of the Association.
- F. An agreement reached under this section binds the parties and is judicially enforceable if both of the following conditions are satisfied:
 - 1. The agreement is not in conflict with the law or the governing documents of the common interest development or Association.
 - 2. The agreement is either consistent with the authority granted by the Board of Directors to its designee or the agreement is ratified by the Board.
- G. A member of the Association may not be charged a fee to participate in the process.

Types of Changes Requiring Approval by the Architectural Committee/Design Review Committee

All proposed exterior modifications, alterations, additions or changes must be submitted to the AC/DRC for approval **prior** to any installation or commencement of construction.

The above mentioned installation, alterations, additions or changes may include, but are not limited to, walls, arbors, decks, gazebos, fences, fountains, pools, spas, landscaping, hardscape, patios, pottery, gates, light fixtures, fire-pits, barbeques, umbrellas, statues, room additions, solar, window replacements, etc.

Procedure Used to Review & Approve or Disapprove a Proposed Change

Homeowner shall submit all of the following:

1. Property Improvement Form/Application.
2. Plan & Specifications (3 sets). 2 copies will be returned to the Owner and 3 sets will be retained by the Association after it is reviewed.
3. Photographs, brochures and/or material samples (1 set) where applicable (items provided will **not** be returned to the Owner).
4. A security deposit of \$500.00 is required as well as the following fees: \$225.00 for new home landscape/hardscape, \$100.00 for painting, room additions, front/rear yard landscape changes, patio cover, solar panels, to paint the home, doors, windows and lighting and \$75.00 for gate change.

Upon receipt, the information will be reviewed for completeness. Should any of the above items not be submitted, the entire submittal shall be returned to the owner noting the missing information. An application will not be “submitted” until it is complete.

If the submittal is complete, the management company will log the submittal, send a confirmation of receipt to the owner, and send the submittal package to the AC/DRC for review.

The AC/DRC has 45 days to review the submittal (from the date received by management). Should the homeowner not receive a response within 45 days from receipt by the Association, the submittal shall be deemed approved. A deemed approved submittal does not provide rights to the homeowner to violate alteration of the common area or Association maintenance areas regardless of submittal information.

The AC/DRC shall review submittals for the purpose of determining if the proposed improvements meet the Architectural Guidelines/Design Review Guidelines and that the appearance of any structure affected will be in harmony with the surrounding structures,

that the construction will not detract from the beauty, wholesomeness or attractiveness of the Common Area or the enjoyment by the Members, and that the upkeep and maintenance will not become a burden on the Association.

Any changes to the exterior of a residence must be specifically called out, in detail, in order for them to be approved. Unless specified by the submitting owner, any installation will be assumed to be in strict accordance with the Association's architectural guidelines. Proposed plans must also depict any easements within the property, and, in the case of a relocated improvement (such as a wall, fence or similar structure), the plans must depict both the original location of the improvement and the proposed new location.

The AC/DRC review is for aesthetics only. Homeowners must defer to their professional consultant to determine if a permit is needed, if utility or other City/County easements exist and verification of property lines. If one neighbor accuses another of building onto their property, it is a neighbor to neighbor issue.

The AC/DRC will complete its review and send the submittal package back to management noting whether it is approved or not and any reasons for the denial, if applicable. Management will log the submittal as returned and send one set back to the homeowner. If denied, the homeowner must start this process again with the required number of plans and application copies as noted above.
